Sir:

Applicant has received the Corrected Filing Receipt in U.S. Serial No. 09/354,802 dated October 15, 1999, and hereby respectfully requests correction of the filing information. The corrections listed below were previously requested by us in Request for Change of Filing Receipt Data mailed to you on September 7, 1999.

The application, as originally filed, is a continuation-in-part application, claiming priority from two prior filed patent applications. Thus, the following information should be added to the filing receipt:

"This application is a continuation in part of U.S. Application Serial No. 08/661,004 filed June 10, 1996 and U.S. Application Serial No. 08/834,240 filed April 15, 1997."

The identical language occurs on page 1 of the Patent Application as filed, and the transmittal letter of the original application references these two prior applications, and claims priority from both. Accordingly, entry of the correction and issuance of a corrected filing receipt is respectfully requested.

If you should have any questions, please do not hesitate to contact the undersigned at the telephone number listed below.

Respectfully submitted,

By Shaukat Karjeker
